Message Title: Big Deal!

Passage: John 1:1-18

Main Point: To see the big deal about Jesus we must look at Jesus from all the angles.

1. Why do you think that people or things can go from being a big deal to us to no big deal to us overnight? What does that say about us?
2. What do you think is the greatest roadblock for people to believe that that Jesus is God enfleshed? What are some mistakes we might make in coming to terms with it? How could the Logos (Jesus) have been with God and yet also be God from all eternity?
3. Why was it necessary for Jesus to be fully God and fully human? What difference does that make in your life now?
4. Of the three terms John uses to describe Jesus in the prologue (Logos, Life, Light) which is the most meaningful to you and why?
5. How might a witness of Jesus upstage Jesus? What does John's witness have to say about that.
6. Of the five angles of Jesus that John asks us to look at (God, creation, witnesses, world, and family), which spoke most loudly to you and why?
