Message Title: God's "Put it Back Together" Plan

Passage: Ephesians 1:1-14

Main Point: God is working His process to put broken creation back together again.

1. Where do you tend to see the effects of brokenness played out in the world around us?
2. Why do you think we often underestimate the extent of brokenness?
3. Do you think we tend to overestimate or underestimate the source of brokenness that comes from the spiritual realm?
4. How should knowing that Christ paid the price in His blood to secure our redemption and adoption into God's family change our lives right now?
5. Pastor Eric closed the message with questions for application around each of the 4 R's

Rebellion Question: Is there an area of my life in which I am rebelling and building further on my own brokenness?

Redemption Question: Have I placed my faith in Jesus and been redeemed and adopted into God's family?

Reconciliation Question: Is every area and relationship in my life filtered through Christ's lordship?

Responsibility Question: Am I participating in the Great Commission?

Which question is God asking you to take action on this week?
What will you do?
